

JustPressOne

YOUR WORKFORCE SOLUTIONS PARTNER™
We Provide People and Technology

Front/Back Office Workforce Service

- We are an extension of your team providing fully trained, career-focused individuals eliminating your need to recruit, hire, and train.
- Never worry again about absenteeism, workman's compensation, benefits, or the labor board.

Claims Administration Service

- Technology and service eliminates virtually all common errors and streamlines claims processing to increase approval.
- Qualified adjudicators with industry experience amplify the benefits of automated efficiency.
- Offering multiple levels of claims services.

Automated Outbound Calling and SMS Text Messaging Service

- Make automated, repeated attempts to contact your customers with important updates.
- Deliver personalized live person sounding calls and voice mail messages in a language of your choice.
- Ideal for Service/Delivery appointment scheduling, confirmations, reminders and rescheduling.
